

Aleksandar Preradovic

Dell Technologies | General Manager, Greece

Aleksandar Preradovic has almost 20 years of experience in leading positions in the technology industry and in areas such as BDM, sales development, channel sales management, and regional team management. He strongly believes in the difference human resources can make and in the catalytic role of technology for growth and prosperity. Before joining Dell Technologies, Aleksandar Preradovic held key positions in EMEA countries and Latin America.
