
Curriculum Vitae

Spiros Raptis

General Manager Schneider Electric Greece & Cyprus

Spiros Raptis is the BoD President and CEO of Schneider Electric AEBE, representative for the countries of Greece and Cyprus.

Mr. Raptis joined Schneider Electric in 2010, in the beginning as Partner & Energy VP and thereafter as Industry & Energy VP. In 2016 he was appointed Commercial Director for the Distributors and Integrators Channels, right before undertaking his current position on June 2017.

After completing his studies of Electrical Engineering & Computer Technology at the Polytechnic Department of the University of Patras, Mr. Raptis built over 25 years of professional experience in several segments of the Energy and Industrial market, covering managerial positions both in Greek and Multinational organizations and successfully leading diverse Sales and Marketing teams active in Distribution of Electrical Energy, Control and Automation, Motion Control and Field Instrumentation.
